

Parkinson Support Group — Fund Drive

The Parkinson Support Group of the Finger Lakes (PSGFL) has provided information, socialization and support for those with Parkinson's disease and their care partners since its creation in 2008. Beginning with 12 founders, the group has grown to nearly 200 members. We meet monthly; 10 educational and experience-sharing sessions and 2 social events, a summer picnic and a winter holiday luncheon. The PSGFL is organized and run solely by volunteers.

Contributions will allow continued growth of these programs and hopefully enable us to expand community outreach and education about Parkinson's disease, its stresses, and its management.

The PSGFL is a 501c3 designee through the Finger Lakes Area Community Endowment (FLACE). Contributions of \$50 or more can be tax deductible.

The PSGFL is grateful to the F.F. Thompson Foundation for a generous grant supporting this fund raising effort.
